

## Industrial Products Represented

**AmeriZorb Recovery, LLC**  
1.866.427.3998

The Natural Organic Answer to Industrial Clean-Up. AmeriZorb will absorb chemical spills quickly and easily, making pick-up and proper disposal clean and simple!

**Atlantex**  
1.610.518.6601

Atlantex is a leading manufacturer of industrial textile products, specializing in high performance and high temperature textiles for the commercial and industrial markets. In addition, the new Spiral Guard Wrap protects from abrasion, crush, cuts and other hazards.

**Flex-ing**  
1.800.333.3599

Flex-ing manufactures a wide range of industrial applications; including stainless steel flex hoses and flex connectors for the transfer of petroleum products, liquid propane gas and other liquids.

**Finn-Power USA, Inc.**  
**Lillbacka Powerco**  
1.847.301.1300

Manufacturer of Hydraulic Crimping and Cutters where optimal crimping force, speed and efficiency are required.

**Hydroscand**  
1.847.301.1300

Manufacturer of Cutting, Skiving, Cleaning and Measuring equipment for the hydraulic hose industry.

**Federal Process**  
1.800.846.7325

From industrial thread sealants like Gasoila Hard and Soft Set and PLS 2 to rust eating penetrants and lubricants like Free All and Lube-It All, you'll find the hardest working products in the industry here.

**Liquidynamics**  
1.316.943.5477

Manufacturer of Lubrication Equipment to include oil and grease pumps, hose reel assemblies, bulk transfer pumps, fluid management systems, waste oil carts and waste oil extractors.

**Legris—Transair**  
1.480.325.3506

Innovative compressed air pipe system for the distribution of air that is simple to assemble, change and expand.

**Stucchi**

**Stucchi**  
1.847.956.9720

Manufacturer of Hydraulic quick release couplings and valves for fluid flows. "VEP" series screw couplings are connectable under high residual line pressure.

**RuB, Inc.**  
1.952.857.1114

Manufacturer of Brass Ball Valves and Pneumatic and Electric Actuators for oils, fuels, alcohol, water, air and many other fluids. Products include threaded connections in sizes 1/8" to 4".

**Ultra Clean Technologies**  
1.800.791.9111

Ultra Clean offers a fast, less invasive way to clean contaminated hydraulic lines by shooting a projectile through the hose or tube assembly with a pneumatic launcher.

**Young Powertech, Inc.**  
1.610.558.0760

Best alternative to High Prices and Long Delivery of Direct Replacement for most Danfoss, M+S, Char-Lynn, White and Parker Motors.
