

The Beta LED Commitment

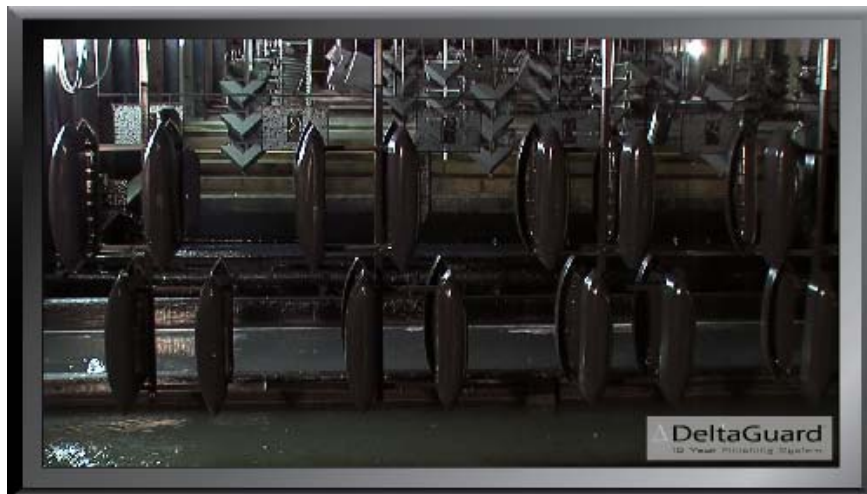

Beta Lighting's reputation as a designer and manufacturer of premium quality lighting solutions has been earned over several decades. Beta engineers are experts at balancing form and function and are dedicated to designing products that provide trouble-free performance for years to come.

We are proud to back our commitment to THE EDGE with an industry-leading **5-5-10 warranty**:

- Five years on the driver
- Five years on the LEDs
- Ten years on the DeltaGuard finish

Exclusive DeltaGuard Protection

A long-life fixture demands a long-life housing. THE EDGE's low-copper, die cast aluminum housing features the patented 15-step Colorfast DeltaGuard finish that creates an impermeable barrier against the elements.
